Welcome

Franz Company Limited has provided multi-discipline engineering services to industrial clients since 2012. Our company fosters an innovative problem-solving environment that presents fast and flexible responses to client needs.

With highly qualified team at Franz, we can offer complete engineering services from the project feasibility phase through to detailed design and construction management. While providing complete service solution for every discipline need in Industrial or Non-Industrial project, such as: **Oil & Gas, Power Plant, Bridge, Highway, Mining Industry, Marine, Ship Building & Construction, Petrochemical, Telecommunication, etc.**

We offer innovative and economical services & we meet client needs on projects of all sizes and smaller that's why Franz proudly presents all in one integrated services in this 2020/21 Company Profile.

Our Driving force

MISSION

- We are committed to meeting our client's objectives by securing an edge over the industry quality standards in a cost-effective and timely manner.

VISION

- To become a world class organization with excellence in everything we do.

This will be achieved through strong financial results and continuous investment in our people and infrastructure to enhance our customer satisfaction and best in business process.

“ We work with the highest efficiency and in accordance with the latest technologies in conformity with international standards of quality, security and safety. ”

Our Commitment

We are committed to total customer satisfaction by identifying their specific needs, translating them into Quality Service & providing dependable after-sales-services.

This commitment is the corner stone of our Quality Policy.

Our Core Values

Excellence

By giving attention to every detail, we create a product and services that far surpasses the status quo. We give you only the best we can humanly create—because it’s just the right thing to do.

Partnership

Much like a trusted friend, we’re ready to go the extra mile. We are here for you, striving to put your best interests first—regardless of project size or budget—so that we can become your trusted partner.

Teamwork

By thinking and creating together, we combine our strengths to give you a superior, more versatile solution. We intentionally maintain a collaborative environment where each team member’s voice is heard, valued, and respected so that their ideas benefit you.

Creativity

To us, creativity is problem solving, and we believe in solving the impossible. We never settle for the first, easiest, or quickest solution. We carefully analyze, research, and create a custom solution that not only solves your challenge but also helps you stand out.

**Our values are both our identity
and our promise defining and motivating
our every interaction with you**

Why Us?

We work closely with our clients and with complete dynamics given the fact that every project is driven by its own client, We tailor-make every project to your demands.

*We are a company that is of un-matched performance.
Without compromising efficiency and quality, we are set to take you places.*

Our Services and Products

 **Mechanical, Electrical and Structural, Fabrication and Erection Engineers developing a fully-equipped facilities and services.** 

Timely and prompt services quality of our machineries, vehicles, materials, manpower and the speed of our deliveries, and efficient staffs have earned us the highest recognition and recommendation of our satisfied clients.

The merit of our company is to offer a comprehensive Engineering services (Design, Fabrication, Supply, Construction and Erection) in the field of Engineering Category. We can ensure timely project completion, end-to-end quality management and budget control.

Our goal is to provide high quality products & service combined with trusted client partnership, and to maintain high health, safety levels and solutions to the client's need.

 In addition, we are committed to the health, safety and well-being of our employees, clients, subcontractors and all others that may be impacted by our operations.

Franz will conduct all its work in accordance with the statutory or national requirements of the United Republic of Tanzania.

Our Services

We provides a complete range of engineering services for industrial, Mining and commercial premises operations from instalations, reparing, servicing and maintanance.

A. Mechanical Engineering

- Complete mechanical installations.
- VRF cooling systems.
- Heating systems.
- Ventilation systems.
- Plumbing works.
- Infrastructure systems.
- Fire pump and Fire protection systems.
- Stormwater storage works.
- Treatment and garden irrigation system.
- Mechanical infrastructure installation.
- HDPE infrastructure works.
- Stainless steel process piping and Infrastructure system.
- Mains water distribution system.
- Steam generator.
- Steam installations works and Plumbing works.

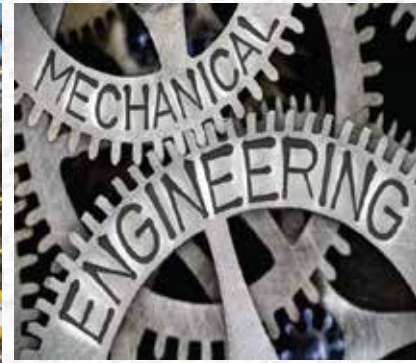

B. Electrical Engineering

- Power distribution: LV, MV and HV.
- Portable switch rooms Instrumentation.
- Installation of Instruments.
- Pre calibration setup of Instruments.
- Accredited calibration of instruments.
- Control Systems - Automation.
- Customer interface: PCbased HMI and Industrial HMI.
- PLC hardware: small controllers, standalone PLC, site-wide distributed PLC controllers and distributed control system (DCS).
- Database and Reporting Plant Maintenance Planning Project Co-Ordination Machine Safety.
- Acoustic Control UAV Services.

C. Consultation

We assess, advise, design, commission, develop systems and provide training for your staff, to ensure efficiency and safety in your operations including but not limited to:

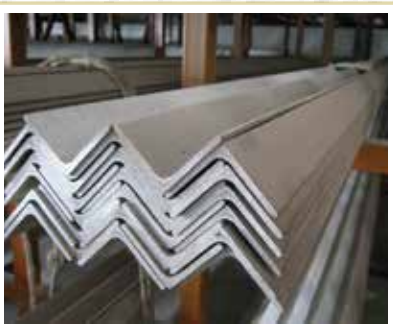

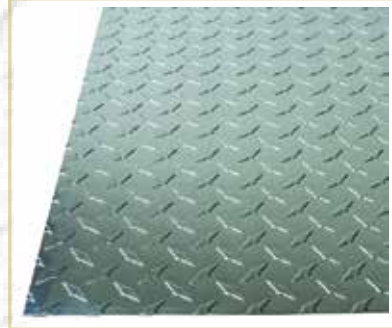

- Health, Safety Environment and Quality (HSEQ)
- Hazard and Operability Studies (HAZOP)
- Electrical Engineering
- Robotics and Automation
- Machine Safety
- Hazardous Area
- Design and Analysis of Scope of Work
- Project Management

Our Products : Metals

FRANZ

1

Galvanized pipes, Ms-Pipes, Square hollow sections, rectangular hollow sections, Hot rolled coils/Sheets/plates, Mild Steel Chequered sheets, Cold Rolled Coils/Sheets, Galvanized steel coils/sheets, Aluminum plain sheets, Carbon steel, Stainless steel sheets, Stainless pipes/Tubes, Equal/Unequal angles, Mild Steel Flat Bars, Mild Steel Round Bars, SS Round bars, Shafting Bars, Square Bars, T-Sections, UPE/PFC Channels, JIS Channels / UPN Channels, JIS Beams(H&I), IPE/IPE (AA), HEA/HEB /HEM, Universal Beams /Columns.

Transforming the World

Our Products

Welding & Cutting

2

Our Products

Welding Machines, Welding Consumables, Welding safety items, Plasma Cutting Machine, Oxy Plasma Profile Cutting Machine, Abrasive Jet Cutting Machine, Thermal Spray, Welding Torches & Accessories, Welding Automation, Pipe Cutting & Beveling, Diesel Welder , Power Generator, Maintenance & Repair Electrode -,Special Welding Electrode, Non Ferrous Alloys, Stainless Steel | Nickel Alloys, Aluminum Welding Wires, Special Welding Products, Carbon Steel Welding Wires, Low Alloy Welding Electrode, Brazing Alloys

3

We are the Suppliers of Power Cables Building Wires, LV Cables, MV Cables, LSF / LSOH Cables, Lead sheathed Cables, Instrumentation Cable, Shielded Cable, Control Cable, Indoor / Outdoor Telephone cable, Fibre Optic Cable, Rubber Cable, Fire Resistant Cables, Cathodic Protection Cable, 1 Phase & 3 Phase Transformers, RMU, MV Switch gear, LV Switch gear, Panel Boards, Motor Control Centres, Load Centres, MCBs, MCCBs, Transformer oil, ELCBs, RCBs, Safety Switches, Motor Starters, Industrial Plugs & Sockets, Rotary Switches & Isolators, Contactors, Relays & Push Button ,Stations, PVC and Metallic Enclosures , Thermo Couple Cable, Welding Cable.(THHN, THWN, TFFN, HO7RNF),Special Application Cables, Earthing Material ,DB Panels, SMDB Panels, Wiring Accessories, Switchgear ,Cables Glands, Cable ties, Cable markers, Ferrules, Conduits, Switches, Sockets, Junction Boxes, Cable Trays, Cable Ladders, Hardware for Cable trays, Explosion Proof Lightings, Flash lights, Bulbs, Electrical Accessories and components, LED Lights (Brands: HERA-Germany, PROLED-Germany, DURA LAMP-Italy, DOMUS LINE-Italy, SELF-Italy, P.U.K-Italy, XPLENDID-Taiwan, RAAT-Korea, SIGN COMPLEX-China, LUMAN-Hong Kong) LED Strip Lights, Down Lights, Spot Lights, Linear Lights, Panel Lights, Wardrobe Lights, Pendant Lights, Flood Lights, Pole Lights

Plumbing Material

4

Our Products

uPVC Drainage Pipes & Fittings, High Pressure Pipes & Fittings, HDPE /MDPE Pipe & Fittings , PPR Pipes & Fittings , PEX Pipes & Fittings, GRP Pipes and Fittings, Pre-insulated Pipes & Fittings Fabricated Plumbing Products, GRP/UPC Well Casing and screens, UPVC /GRP Fabricated manholes, UPVC Ball valves, FRE pipes & fittings, CPVC Pipes & Fittings, Pipe Clamps and supports and plumbing accessories, Telecommunication Cable Ducts, LDPE Irrigation pipes, reinforced thermo plastic pipes, Water Heaters, Air operated Pumps, Centrifugal Pumps, Submersible Pumps, Sanitary/foot Pumps, Drivers & Transmissions and Flow Accessories

Safety Material

5

Glasses, Google's, Shoes, Coveralls, Reflective Jackets, Face Shield, Safety & Welding -Helmets & Accessories, Eye Wash, Shower, Eye Wash Bottle Station, Single/Multi Gas detectors, Escape Mask, Breathing Apparatus, Self-contained Breathing Apparatus, Welding Curtains, Screens, Fire Blankets, Windssocks, Masts & accessories, Hand gloves, Fall Protection devices, Confined Space System, Safety harness, Lanyards. Oil spill kills, Desert Kits, First Aid Kits, Stretchers, Dust Mask, Respirators, Traffic Cones, Warning Lights, Safety Sing boards, Stickers, Medical Coats, Chemical Protection Cloths, Fire Protection cloth, Life jackets, Life Buoys, Electrical and Hand operated Siren, Aprons, Screen Printing & Embroidery, Cold storage wears, Hearing Protection.

Our Products

Industrial Supplies

6

Our Products

Valves, Flanges, Pipes and Pipes Fittings(CS/SS/MS/GI), Bulk Chemicals, Hydraulic Hoses & Fittings, Forged Fittings, Flow Meter, Pressure Measurement instruments, Power tools, Containers, Drilling tools, Precision Machining items, Gaskets, Pumps, Temperature Measurement instruments, Level Measurement instruments, Drill bits, Drill collars, Wellheads, Diesel Generators , Batteries, Battery chargers.

Our Clients

Franz partners with some of the best managed companies in Tanzania, across a wide range of industries, to make them even better. We'd welcome the opportunity to work with you to do the same and add you to our ever growing list of satisfied clients, some of which include:

Enterprise content LTD
Akomia Limited,
DADANU & co limited,
Africa Medical Research Foundation (AMREF),
Maurice Teachers college and High School,
Jac Rijk Africa Ltd,
Kinder care Teachers college - Ubungo,
Timco Professionals
